Re: Workover Pit Extension  
Larry Olsen (Dorothy) Lease Well No. 8  
Sec. 17-35S-07E  
Cowley County, Kansas  
Permit No. 15-035-231700000

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Larry Olsen lease.

This extension will expire on June 7, 2013. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Doug Louis  
Director

Kathy:

Attached is the previously approved Form CDP-1 for the following wells:  
Hanahan #1 and Larry Olsen (Dorothy) #8.

These pits have not been closed because the plugging work has not been done yet but an application is in process.

We respectfully request an extension of time on these Application For Surface Pit which both are planned to be used prior to April 30, 2013.

Thanks for your consideration in this matter.
