Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the haul off pit associated with the Fair-Sleeper Trust 1 lease.

This extension will expire on July 16, 2013. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Doug Louis

RE: Fair-Sleeper Trust NW Lease Well No. 1
NW/4 Sec. 15-21S-11W
Stafford County, Kansas

Dear Kathy,

I would like to request a one year extension on the haul-off pit. We believe we are going to drill another well in the area and would need that pit to pump to. At the present time it is fenced and dry. Finding a legal haul-off pit in that area was not an easy task. The footage is 3,700 feet from the south line and 4,580 feet from the East Line 15-21S-11W in Stafford County Kansas.

Thank you for your time.

Yours truly,

Billy Chew
