The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55-101, et. seq.

- It is agreed that the following minimum requirements will be met:
1. The appropriate district office shall be notified before setting surface pipe;
 2. The minimum amount of surface pipe as specified above shall be set by circulating cement to the top; in all cases surface pipe shall be set through all unconsolidated materials plus a minimum of 20 feet into the underlying formation;
 3. If the well is dry, a plugging proposal shall be submitted to the district office. An agreement between the operator and the district office on plug length and placement is necessary prior to plugging;
 4. The appropriate district office will be notified before well is either plugged or production casing is cemented in;
 5. If an Alternate II completion, production pipe shall be cemented from below any usable water to surface within 120 days of spud date. In all cases, notify district office prior to any cementing.

I hereby certify that the statements made herein are true and to the best of my knowledge and belief.

Dear Sirs:

A review of the Kansas Corporation Commission records shows that the Intent to Drill on the well listed above has expired. We have not received a spud call nor an ACO-1.

If the well has not been drilled, please check, sign and date below and return this letter to the Wichita Office.

Well not drilled. Signature *David P. Williams*
Date 7/12/91

If the well has been drilled, please submit the ACO-1 Completion Report and all attachments on this well along with a copy of this letter to the Wichita Office.

In either case we will require an answer to this letter no later than 15 days from the date of this letter. Failure to submit the requested information will subject the operator to the assessment of a \$500 administrative penalty under K.A.R. 82-3-107 of the General Rules and Regulations of the State of Kansas.

Should you have any questions concerning this matter please contact the undersigned at (316) 263-3238.

Sincerely

David P. Williams
