RE: Kansas Surface Owners Notice Act  
Hartzler N-1 & N-2  
Sec. 28-T25S-R15E  
Woodson County

The 2009 Legislature passed House Bill 2032, known as the Kansas Surface Owners Notice Act. This Act requires the KCC to provide copies of drilling intents, operator transfers, and well plugging applications to the surface owner, if they are not provided by the lease operator. The operator has advised us they have not provided you with a copy of the attached form. Therefore, this letter and the attached form shall serve as notice of the operator's action. You do not need to respond to the KCC. Please contact the operator listed on the form if you have any questions.

Sincerely,

Rick Hestermann  
Production Department
