Re: Plug and Abandonment Application for Duke Energy Field Services Richfield Storage Field Harrison A1-12 (C NE SE 12-32S-42W), Morton County, Kansas

Dear Mr. Fredlund,

Duke Energy Field Services intends to plug and abandon the above mentioned well (API No. 15-129-20417) in its Richfield Storage Field on or near November 1, 2004. Attached please find our CP-1 Application, Well Log, and abandonment proposal. We intend to P&A in exactly the same manner that we did earlier this summer on the first 12 wells in the field.

I will be in touch with you shortly to confirm our plans, but in the meantime if you have any questions, please don't hesitate to contact me.

Regards,

Russell Bentley

Dear Operator:

This letter is to notify you that the Conservation Division is in receipt of your plugging proposal, form CP-1, for the above-captioned well.

Your CP-1 has been reviewed by the KCC UPGS Section for completeness and to verify license numbers. The plugging proposal will now be reviewed by the UPGS Section and the KCC District Office listed below for your proposed method of plugging.

Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113 (b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit.

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well.

This notice in no way constitutes authorization to plug the above-captioned well by persons not having legal rights of ownership or interest in the well. This notice is void after ninety (90) days from the above date.

Sincerely

Daniel F. Fredlund
Manager, UPGS
