Re: Medicine River Ranch B 11
NE/4 Sec. 15-34S-11W
Barber County, Kansas
15-007-23933-00-00

Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Medicine River Ranch B 11 well.

The original 365 days for closure expired on 10/04/2013. This extension will expire on 05/11/2014. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but no pit permit extension shall be extended beyond six months after the original deadline.

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman
Director

NOTICE OF VIOLATION

Re: API.#15007239330000
Medicine River Ranch #B11
NESWSWNE, 15-34S-11W
BARBER County, Kansas

N-10 Exploration, LLC would like to request a 90 day extension on closing the mentioned pit in this letter for further use of a haul-off pit on a future well. Thank You,

Jane Swingle

Dear Operator,

Commission records indicate that you filed an Application for Surface Pit ("CDP-1") form for the referenced well along with your Intent to Drill. **We have not received a Closure of Surface Pit ("CDP-4") form.**

Commission records indicate that the referenced well was spudded more than 13 months ago. Under K.A.R. 82-3-602, drilling pits must be closed within 12 months after the spud date of the well. Further, an operator must submit a CDP-4 within 1 month after closing a pit.

If any drilling pits remain open, they must be closed.
Since no CDP-4 is on file, you are in violation of K.A.R. 82-3-602(c).

**Failure to submit a complete, accurate CDP-4
for the pit or pits associated with the referenced well
by March 5, 2014
shall be punishable by a \$100 per-well administrative penalty.**

The information requested above must be submitted on KOLAR.
Please contact me at (316) 337-6200 if you have any questions.

Sincerely,

KATHY HAYNES
