Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Schmeidler A #13 lease.

This extension will expire on June 18, 2014. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

RE: Schmeidler A#13  
API #15-051-21730  
Ellis County, Kansas

Dear Corporation Commission:

The above-captioned oil well utilized a Pit for the plugging that took place in November 2013. The pit application was approved in October 2013. For your information, at this time, because of weather conditions and unwanted delays, the pit remains open and contains standing water. We expect to close the pit in the next sixty (60) days and will keep you apprised of any developments.

Thank you for your patience during this process. We will file on KOLAR once the pit has been closed.

Sincerely,

R. Gavin Gunn, Esq.
