Re: Haul-off Pit Extension  
Ward Lease Well No. 1-31SW  
Sec. 31-28S-30W  
Gray County, Kansas  
Permit No. 15-069-20402-00-00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an additional extension of time in which to close the haul off pit associated with the Ward lease.

This extension will expire on July 9, 2014. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form. No additional extensions will be granted.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

Ward #1-31(SW) #15-069-20402

Dear Ms. Haynes,

Our field superintendent reported that the haul off pit used in the drilling of the above locations is not ready to be backfilled. The bottom is not dry enough and is too soft to allow a cat to backfill it at this time. We ask for an extension of six (6) months to close this haul off pit. A contractor has been employed to monitor the pit and restore the location when conditions allow.

Thank you for your cooperation in this matter.

Sincerely,
