Re: McGinnis-Fee 20
SW/4 Sec. 25-26S-12E
Greenwood County, Kansas
15-073-24185-00-00

Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the McGinnis-Fee 20 well.

The original 365 days for closure expired on 03/19/2014. This extension will expire on 06/25/2014. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but no pit permit extension shall be extended beyond six months after the original deadline.

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman
Director

Re: Drilling Pit Closure on the McGinnis-Fee #20
API #15-073-24185-00-00
Stud Date: 3/19/2013
Greenwood County, Kansas

Dear Kansas Corporation Commission,

This is to advise the Commission that on March 14, 2014, Daystar Petroleum, Inc. inspected the pit site and has determined that the area is still too wet to close the pit at this time and would like the commission to grant Daystar an extension on the closing of this pit.

If you have any questions, please do not hesitate to call Janet Turner at 620-583-5772.

Sincerely,

Matthew S Osborn
Vice-President
