Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Holland Unit 1.

The original 365 days for closure expired on 05/11/2014. This extension will expire on 10/11/2014. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

*Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but no pit permit extension shall be extended beyond six months after the original deadline.*

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

### NOTICE OF VIOLATION

**Re: Surface Pit Closure Form(s) - ("CDP-4")**

Operator:

Commission records indicate that for the well(s) on the attached list, you filed an Application for Surface Pit (CDP-1) form for each well along with your Intent to Drill.

If any drilling pits remain open, they must be closed.  
Since no CDP-4 is on file for the well(s), you are in violation of K.A.R. 82-3-602(c).

**We have not received the necessary Surface Pit Closure Form(s).**

Commission records indicate that the well(s) were spudded more than 13 months ago.  
Under K.A.R. 82-3-602, drilling pits must be closed within 12 months after the spud date of the well.  
Further, an operator must submit a CDP-4 within 1 month after closing a pit.

**Failure to submit a complete, accurate CDP-4  
for the pit(s) associated with the well(s) on the attached list  
by JULY 15, 2014  
shall be punishable by a \$100 per-well administrative penalty.**

The information requested above must be submitted on KOLAR. If a CDP-4 is returned to you as incomplete, you do not have additional time - the deadline above governs.

Please contact me at (316) 337-6200 if you have any questions.

Sincerely,

KATHY HAYNES  
Environmental Protection and Remediation Department

Hi Kathy,

I received a violation on the pit closure for the above well. I would like to get a 90 day extension if possible due to all the rain we have been receiving.

Thanks
