Re: Haul-Off Pit Extension
Sherlyn Koehn 1-31
Sec. 31-28S-30W
Gray County, KS
Permit No. 15-069-20399-00-00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the haul off pit associated with the Sherlyn Koehn 1-31well.

This extension will expire on October 09, 2014. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

A handwritten signature in cursive script that reads "Ryan A. Hoffman".

Re: Haul off pit used in the drilling of:
Sherlyn Koehn #1-31(SW) #15-069-20390⁹
Ward #1-31(SE) #15-069-20402

Dear Ms. Haynes,

Our field superintendent reported that the haul off pit used on the above locations is not ready to be backfilled. The recent rains (over 12 inches in June) have compounded the matter so we ask for an extension of at least six (6) months.

Thank you for your cooperation in this matter.

Sincerely,

FALCON EXPLORATION, INC.
