Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Fulsom 1-8 well.

The original 365 days for closure expired on 05/14/2014. This extension will expire on 10/14/2014. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

***Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but no pit permit extension shall be extended beyond six months after the original deadline.***

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

Re: Lawco Fulsom #1-8 SWD well & Fulsom #2H-8 well  
Section 8-35S-7E  
Cowley Co., KS

Dear Kathy:

We are in receipt of your Notices dated July 1, 2014, affecting the captioned wells drilling surface pit.

Lawco Holdings LLC has been in the process of re-evaluating geologic data and recently acquired 3D seismic data for possible multi-well drilling plans on the Fulsom well pad. The existing surface pit may be utilized under this scenario.

Lawco Holdings LLC hereby requests a pit permit extension for the above referenced wells for at least three (3) months, in accordance with KCC regulations. Possible future plans for this location include reactivating well-pad drilling activities that are contingent on utilizing this location as a multi-well pad.

Thank you for your consideration of this extension request.

Should anyone have any questions, please contact the undersigned or Lynette Davis at 479-273-2670.

Sincerely,

Lawco Holdings LLC

James R. Lawson
