This letter is to inform you that District 1 staff has inspected the area of the surface pond connected with the drilling of the referenced well and found it permissible to leave the pond open as part of a wildlife and stock area. The pit does not need to be closed and the responsibility for the pit will be transferred to you, the landowner. Should you have any questions or concerns please feel free to contact the undersigned at 316-337-6227.
