Re: #1 Dunbar
Sec. 22-33S-2E, Sumner County
Well Plugging Application

Gentlemen:

This well was purchased from the District Court of Sumner County, Kansas on October 27, 1987 at a Sheriff's Auction.

A check of the KCC records showed no ACO-1 on file for this well.

Range has been able to obtain certain reports and service company records to obtain TD, casing and perforating information. Range does not have a geologic or electric log for this well.

Please advise of anything additional needed.

Very truly yours,
