2. AFFIDAVIT		
The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55-101,		
et. seq.		
It is agreed that the following minimum requirements will be met: 1. The appropriate district office shall be notified before setting surface pipe;		
2. The minimum amount of surface pipe as specified above shall be set by circulating cement to the top; in all cases surface		
pipe shall be set through all unconsolidated materials plus a minimum of 20 feet into the underlying formation;		
3. If the well is dry, a plugging proposal shall be submitted to the district office. An agreement between the operator		
and the district office on plug length and placement is necessary prior to plugging; 4. The appropriate district office will be notified before well is either plugged or production casing is cemented in;		
5. If an Alternate 11 completion, production pipe shall be cemented from below any usable water to surface within 120 days		
of spud date. In all cases, notify district office prior to amy comenting.		
I hereby certify that the statements made her	· 1	f / a
