Logan County, Kansas

Dear Sir or Madam:

This letter is to inform you that you have been granted an additional extension of time in which to close the drilling pits associated with the Weber Trust B 1-1.

The original 365 days for closure expired on 06/19/2014. This extension will expire 12/19/2014. **No additional extensions will be granted.** In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

*Failure to close the pit prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a).*

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

RE: Pit Closure CDP-4  
License No. 4629  
API Well # 15-109-21191-00-00  
Weber Trust B 1-1, Logan Co., KS

Dear KCC:

I received the Notice of Violation regarding the Surface Pit Closure Form (CDP-4) on the above referenced well. Due to the level of rainfall and flooding in the previous few months we are unable to close the surface pit at this time. I am requesting a six month extension in order to allow the pit to adequately dry.

Respectfully,

Raul F. Brito, President  
Brito Oil Company, Inc.
