Dear Sir or Madam:

This letter is to inform you that you have been granted an additional extension of time in which to close the drilling pits associated with the Axman-Schenk Unit 1 well.

The original 365 days for closure expired on 06/26/2014. This extension will expire 12/26/2014. **No additional extensions will be granted.** In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

Failure to close the pit prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a).

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

A handwritten signature in cursive script that reads "Ryan A. Hoffman".

Re: Closure of Surface Pits

Mai Oil Operations, Inc. would ask
for an extension of time to close the
following Drilling Pits

Axman-Schenk Unit #1
API# 15-009-25849-0000

Nuss-Radke Unit #2
API# 15-167-23869-0000

Both of these pits have been crowded
in & due to recent wet weather
needs a little more time to dry out.

Sincerely
Allen Banger
