WHY? See file for Sec. 21-34s-11w

The incomplete CP-4 filed by Pratt Well Service is being updated---Eagle Exploration is sending another one----

The CP-4, the agent's report CP 2/3 and the names SHKLAR, BRONCBUSTIN # 1, and KUBIK #1 ---ALL belong to the same lease and plugging reports---

I know there has been some confusion about the lease name and which lease the reports were for but all the above is for one and the same well located at the above legal description in the:  
C of the SE of the NW $\frac{1}{4}$

I hope this helps---
