Dear Mr. Bennett,

Please find enclosed the initial 4 point and 1 point tests for the above named well. This well was originally classified as an oil well, but since the well's GOR has exceeded 15,000 SCF/BO, it has been reclassified as a gas well.

Should you have any questions please contact David Bushnell at (918) 561-3578 or me at (918) 561-2537.

Sincerely,

*Joy L. Smith*
