Attn: Plugging Dept.

Dear Sirs,

In regards to the recent notice of well plugging on the Bucklin #1 SWD in Pratt County. Per our Production man, Brad Siroky, the well was plugged per the state by Halliburton with 100 sacks of common and topped off with ready mix. Jack Luthi from the Dodge City office was on site and assisted with the proper method of plugging. Oil Producers took this well over 6/1/87.

If I can be of further assistance, please let me know.

Sincerely,

Diana Richecky
