Dear Ms. Carlisle:

The ACO-1 form on the above captioned well was filed with your office on November 20, 1987. It was filed with an incorrect API number. I have enclosed corrected copies of the ACO-1 form and the well plugging record for your files.

We did, however, file an intent on the #1 Mark Coberly, NE NE NE of Section 19-15S-28W, Gove County, Kansas. This well was assigned API#15-063-21,115, which expired on November 28, 1987. The well was never drilled, therefore I am enclosing an affidavit. Please call me if you should have any questions. I apologize for any inconvenience this may have caused.

Sincerely,

Linda K. Rice  
Geological Secretary
