Re: Supplemental Well Plugging Record
Swisher #3
Pratt County, Kansas

Dear Mr. Schoof:

Enclosed is a supplement to the Well Plugging Record for the Swisher #3 well in Pratt County. The original record was dated July 16, 1982.

The supplement details additional cement work needed after the original plug dropped 138' since July 7, 1982. All work performed was confirmed with the state plugger before commencement.

Please advise if further information is required.

Sincerely,
