RE: NW 16-24-13, Stafford County, KS

Dear Jonelle,

As per my discussion with Jon Myers, Litigation Counsel, Kansas Corporation Commission, I state the following:

"I hereby attest and affirm that I wish to take personal responsibility for the pit associated with the Rixon #1-26 well, API #15-18-23843, said pit having been constructed by Edison Operating Company LLC.

I further attest and affirm that I am the landowner of the property on which the pit is located, and that I do not wish for the pit to be closed."

Thank you for your consideration on this matter. If you have questions, you may contact me at 620-285-9943 or 620-285-1402 (Paula's cell phone) or paula.rixon@embarqmail.com.

Sincerely,

Kent W. Rixon
