RE: New Pool Exemption Request
Dufford A-1 well & Oshlo A-1 well

Dear Tom:

Our wells Dufford A-1 (N/2 NW SE, Sec. 32-29S-24W, Ford Cty., KS.), and Oshlo A-1 (NW NE NE, Sec. 7-30S-24W, Clark Cty., KS.) both qualify for the New Pool Exemption under the new Kansas severance tax law.

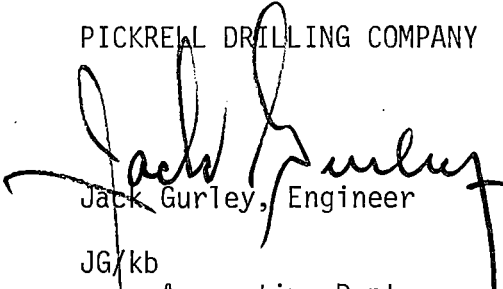

Both wells were completed during 1982 but have been shut in for lack of market. Both started producing on April 27, 1983, through a gathering system we installed ourselves. This producing date and their wildcat status will make them eligible for the two year exemption for new pools.

I am enclosing copies of the Intent to Drill forms and the ACO-1 forms for the two wells. The ACO-1 forms failed to indicate it but the producing formation for each well is Morrow and the purchaser is Kansas Power and Light Co.

If there is any further information that we can furnish to expedite the issuance of a Docket No., please give me a call.

Yours very truly,

PICKRELL DRILLING COMPANY
