Re: Clifford 2
NW/4 Sec. 10-15S-27W
Gove County, Kansas

Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Clifford 2 well.

The original 365 days for closure expired on 05/19/2015. This extension will expire on 10/19/2015. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

*Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but **no pit permit extension shall be extended beyond six months after the original deadline.***

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman

RE: Clifford #2 - Notice of Violation
API #15-063-22145-00-00

Dear Ms. Haynes:

This letter is being sent in regards to the Notice of Violation dated 7-1-15 which we received in our office. Our Field Superintendent, Tanner Nelson, has checked the location and verified, that yes, the pit is still open. The pit has been crowded, but is not completely closed and leveled. We will continue to monitor this pit, and as soon as possible, it will be closed, leveled and restored to natural condition.

We are waiting for the location to dry completely, and this work will be done. We request an extension in filing our CDP-4 Surface Pit Closure Form for the above listed well.

As always, thank you for all your help. If you should have any questions, please do not hesitate to contact our office. My direct office phone is: 316-201-1134.

Sincerely,

Mindy Wooten
