Gentlemen:

Last November, while I was confine to the Central Kansas Medical Center, Great Bend, Kansas, I was called for plugging orders for your #1 Jones, NW 1/4 Sec. 19-26E-8W, Reno County, Kansas. You were referred to Mr. Duane Rankin, Great Bend, Kansas for your plugging orders.

I recently visited the location and found that you have removed 34 joints of casing from the well and have moved off with out completing the plugging of the above mentioned well.

Since I do not make a practice of letting a contractor move off of a location without completing the plugging of the well, I must request that you contact me immediately upon receipt of this letter, with all of the information on the well, and be prepared to send a pump truck to the location to complete the plugging of the well.

Sincerely,

Well Plugging Supervisor
