Reason for Investigation:

Request per Withcota legal staff to chek the status of the above mentioned well.

Problem:**Persons contacted:**

William Moore III 816-223-4814

Findings:

I inspected the location on 11-6-2015. I did not fnd any visible evidence of the well at the surface nor did I get a clear reading of metal with my metal detector at the location of this well. Mr. Moore thinks that this well was never drilled.

Actions / Recommendation**Follow-up Required** ☐**Deadline Date:**

This well was likely never drilled.
