Reason for Investigation:

Request per Wichita legal staff to check the status of the Hayes D3 15-121-27216 and F-2 15-121-27214 wells.

Problem:

Persons contacted:

William Moore III 816-223-4814

Findings:

I inspected the lease on 11/10/2015. I did not find any visible evidence of the wells at the surface nor did I get a clear reading with my metal detector in the locations of the wells.

Actions / Recommendation

Follow-up Required ☐

Deadline Date:

It appears that the wells were never drilled or were plugged.
