RE: ACO-1 Well History, CP-1
CP-4 Forms for 8 Wells in
Harper, Kingman & Reno Cos.

Dear Mr. Leiker:

Enclosed are two copies of the completion form and one set of logs for the following wells:

Lochiel Expl.	#1 Chase	Kingman Co.	C SE SW	24-28S-7W
"	" #1 Clause	" "	C NW NE	7-28S-5W
"	" #1 Everett	Reno Co.	C SW SE	11-25S-6W
"	" #1 Fry	" "	C NE NW	2-25S-5W
"	" #1 Schrock	" "	SE NW SE	27-24S-5W
"	" #1 McKinney	Harper Co.	C SE SW	20-33S-8W

These wells will all be produced as gas wells eventually, though at this time they have not connected to producing facilities.

Also enclosed are three copies of the completion forms with one set of logs, and one plugging form for the following wells:

Lochiel Expl.	#1 Harper	Kingman Co.	C SW NW	3-28S-7W
"	" #1 Keiter	" "	C SW NE	9-27S-5W

We apologize for the delay in reporting the status of these last two wells. The Keiter forms were previously submitted, but returned due to being incomplete. Subsequently, several resignations of key personnel ensued. Only recently have the positions been filled and it was realized that the state requirements had not been satisfied. We hope you will understand these circumstances which resulted in the delay.

In checking with your office, ~~to discover~~ what forms you did not have, we learned that you had copies of the ACO-1, CP-1 and CP-4 forms for the Lochiel #1 Wooldridge, C NW NE 14-27S-7W, Kingman County. Unfortunately, we are missing copies in our well file. Consequently, I wonder if we might impose upon you, to make a xerox copy of each form and send it to us.

Thank you.

Sincerely,

William H. Hawkins
