The above log is based on information provided by the drilling contractor; on the report of the geologist employed to supervise drilling operations; and upon analysis of a radioactivity log ran on subject well. To the best knowledge of the undersigned this represents a true and correct log of the formations penetrated in the drilling of the Reaves No. 1 well.

WILCO OIL, INC.

James R. Daniels Geological Engineer

State of Kansas

SS

County of Sedgwick )

Subscribed and sworn to before me, a notary public, in and for the county and state on this 4th day of September, 1963.

My commission expires
