Well Type: OIL UIC Docket No: _____ Date/Time to Plug: 12/16/2015 12:00 AM
Plug Co. License No.: 99996 Plug Co. Name: ALLIED CEMENT COMPANY
Proposal Rcvd. from: SHAWN DEVLIN Company: VIKING RESOURCES Phone: (316) 262-2548

Proposed Plugging Method: Well showed up on operators well inventory as inactive with a CP-111 filed. A routine lease inspection found no well at surface for this location. A review of well records did not find a plugging report. Viking resources was contacted and could not provide evidence of plugging the well. Viking was requested to dig out the well and verify cement.

Plugging Proposal Received By: RICHARD WILLIAMS Witness Type: NONE
Date/Time Plugging Completed: 12/16/2015 12:00 PM KCC Agent: RICHARD WILLIAMS

Actual Plugging Report:

12/22/2015- Located well with GPS coordinates and a metal detector. Viking resources exposed 4 1/2" casing and 8 5/8" surface pipe. Both had cement at surface and had been cut off 6' below ground level.
