RE: Yost 2-15 ~~(15-033-20693)~~ 15-315-17W  
Schaffer 2-24 (15-075-20548)

Dear Sir or Madam:

The Yost 2-15 and Schaffer 2-24 both have approved CP-111's because they both have valid leases (this is the correct paperwork needed). Please disregard the CDP-1 for the Schaffer 2-24 because we will not be opening a workover pit. Please disregard the CP-1 and CDP-1 for the Yost 2-15 as well. Chesapeake Operating, L.L.C. will not be plugging either one of these wells.

I apologize for the inconvenience. If you have any questions, please contact me at 405-935-2408.

Sincerely,

Chesapeake Operating, L.L.C.
