Possible abandoned well

Persons contacted:

Bert Carlson 620-485-6064 (UNI Exploration)

Findings:

UNI Exploration has allowed the KCC license # 9770 to expire on 7/30/1992. One (1) well remains on this license. The Weil #2 is listed as drilled, however the Weil family has never owned property in section 19. I believe that the Weil #2 was not drilled on this property and the legal description was listed wrong on the intent, The Weil family owned property in the SE SE section 17 and the Weil 17-44A was operated by Alumni Oil Co. Double 7 Oil & Gas drilled a Weil #2 in section 17-33-19e.

I did not locate the well in question (15-099-23098) in 19-33-19e Labette County.

Actions / Recommendation

Deadline Date: 02/03/2016

I will refer this report to Jon Myers, Wichita Legal. The well was not located and I recommend that records be corrected to indicate this.
