Strike out upper line when reporting plugging off formations.

NORTH

A blank sheet of graph paper featuring a grid of dashed lines. The grid consists of 6 columns and 8 rows, creating a total of 48 squares. A solid vertical line runs down the center, separating the first three columns from the last three columns. A solid horizontal line runs across the middle, separating the top four rows from the bottom four rows. In the second column from the left and the fifth row from the top, there is a small handwritten mark that appears to be "C". In the first column from the left and the eighth row from the top, there is a small dot.

Locate well correctly on above
