RE: Kramer #1, §31-24S-29W
Gray County, Kansas

Dear Mr. Merrigan:

We acknowledge receipt of your letter of December 11, 1987.

There has been a down hole mechanical problem with this well. We have tried to get it fixed and back in operation but have not been successful.

We plan on plugging and abandoning the well as soon as weather and and equipment permits, which should be within your suggested time frame.

We are sorry we were not able to get the well back in operation.

Sincerely,

Russell Freeman
