The undersigned herebet. seq.	y affirms that the	drilling, completion and e	eventual plugging of this well will comply with K.S.A. 55–101,
	e following minimum	requirements will be met:	
1. The appropria	ate district office	shall be notified before	setting surface pipe;
2. The minimum a	mount of surface pi	pe as specified above shall	be set by circulating cement to the top; in all cases surface us a minimum of 20 feet into the underlying formation;
3. If the well	is dry, a plugging	proposal shall be submitte	d to the district office. An agreement between the operator
and the dist	rict office on plug	length and placement is n	ecessary prior to plugging;
and the dist	rict office on plug ate district office	ะ will be notified before ผ	ecessary prior to plugging; Hell is either pauged or production casing is cemented in:
and the distr 4. The appropria 5.
