Re: Blackwelder 1-30
NE/4 Sec. 30-29S-11W
Pratt County, Kansas
15-151-22444-00-00

Dear Sir or Madam:

This letter is to inform you that you have been granted an additional extension of time in which to close the drilling pits associated with the Blackwelder 1-30 well.

The original 365 days for closure expired on 11/19/2015. This extension will expire 5/19/2016. **No additional extensions will be granted.** In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

Failure to close the pit prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a).

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman
Director

Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Blackwelder 1-30 well.

The original 365 days for closure expired on 11/19/2015. This extension will expire on 2/19/2016. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

*Failure to close the pit or request an additional extension prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a). An additional pit extension may be renewed upon request, but **no pit permit extension shall be extended beyond six months after the original deadline.***

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman

RE: Drilling Pits - Blackwelder 1-30
NW SW NE NE Section 30-T29S-R11W
Pratt County, KS
API #15-151-22444-00-00

Dear Ms. Haynes:

Please let this letter serve as our request for an extension for closing the drilling pits on our Blackwelder 1-30. Due to the extremely wet spring and summer, we are still waiting for fluids to totally dissipate.

We continue to monitor the drilling pits and will close them and complete the Drilling Pit Closure form CDP-4 as soon as possible.

Thank you for your help!

Sincerely,

Mindy Wooten

RE: Request for Closing of Drilling Pit Extension
Blackwelder #1-30
API #15-151-22444-00-00
NW SW NE NE Section 30-T29S-R11W
Pratt County, Kansas

Dear Kathy:

Please let this letter serve as our request for an extension on closing the Drilling Pit on our Blackwelder #1-30. The pit is in a low area and there have been several significant rains, as well as snow fall in the area, creating additional moisture. The pit has been crowded, but there is still some fluid.

Our production superintendent, continues to monitor the pit and it will be closed as soon as possible.

As always, thank you for all your help!

Sincerely,

Mindy Wooten
