THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS
CONSERVATION DIVISION

CANCELLATION OF INJECTION AUTHORIZATION AND DESIGNATION OF A PILOT WELL
(New pilot well - JW Maclaskey #17 - 4460'FSL, 1290'FEL Section 29-T23S-R14E)

Oper. License #: 8093	Permit #: E-12212
Operator: <u>Gary L. Hass dba Gary Haas Oil Co.</u>	Pilot Well Name & No.: JW Maclaskey #28
Address: 600 Arrowhead Dr.	Location: 2970'FSL, 330'FEL
City: New Strawn	Sec. 29 TWP 23 RGE 14 (x)(E) (W)
State: Kansas	County: Woodson
Zip Code: 66839	Field Name: Winterschied

Project Acreage: NE/4 - Sec. 29-T23S-R14E

On October 18, 1965, the Commission/Conservation Division granted a permit for the injection of produced salt water or other fluids approved by the Conservation Division into the above referenced enhanced recovery project.

The Division has determined the JW Maclaskey #15 (4520'FSL, 760'FEL - Sec. 29-T23S-R14E) well authorized by the permit was plugged and abandoned on May 18, 2009.

Based on the above information, the injection authority for the JW Maclaskey #15 injection wells is hereby cancelled. This cancellation is for the JW Maclaskey #15 only, all other terms and conditions remain in effect for the existing injection authority.

The original pilot well JW Maclaskey #28 has been plugged and abandoned, the JW Maclaskey #17 - 4460'FSL, 1290'FEL - Section 29-T23S-R14E has been designated as the new pilot well for this project.

Date Cancelled: 11/08/2011

Director, Underground Injection Control
Conservation Division
