Dear Sir or Madam:

This letter is to inform you that you have been granted an additional extension of time in which to close the drilling pits associated with the Peace Creek C-4 well.

The original 365 days for closure expired on 10/02/2016. This extension will expire 04/02/2017. **No additional extensions will be granted.** In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

*Failure to close the pit prior to the expiration date shall result in a monetary penalty in accordance with K.A.R. 82-3-602(a).*

Please complete the pit closure form (CDP-4) through Kolar (Kansas On-Line Automated Reporting) at <https://kolar.kgs.ku.edu>.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

RE: API 15-155-21732-00-00

Kathy Haynes:

We are requesting an extension for pit closure on our lease Peace Creek C-4 API 15-155-21732-00-00. The Peace Creek C-4 reserve pit was used as a haul off pit for the Peace Creek C-5 that was drilled in November 2016. It will take more time for it to dry.

Sincerely,

Valerie Schupman
