Re: Lange-Campbell No. 1  
NW-NW-SE, Sec. 9-21-35W  
Kearny County, Kansas

Dear Mr. Roberts:

In answer to your letter of August 13, 1964, please be advised that this well was originally drilled by Pure Oil Company as their Campbell No. 1 and they plugged it.

Later, this well was re-entered, casing set, and then later sold to me and I plugged it. I do not have a copy of the Drillers Log but I am sure there must be one on file by Pure on their original drilling. If this would suffice for your records, I am sure it would be next to impossible for me to secure a Drillers Log at this time.

Yours very truly,

R. W. Lange
