Gentlemen:

In response to your letter of December 20 regarding subject well the different formations have been plugged off in the proper manner. In attempting to shoot off the pipe, however, the shot failed to go off and in coming out of the hole it went off thirty feet from the top. Our pipe was shot off at that point and it will be necessary to do some repair work before we can finish the job, possibly within the next thirty days.

Yours very truly,

Ben L. Kelley
Production Supt.

Attention: Mr. Jewel M. Ogden
Director of Conservation Division

Gentlemen:

With reference to your letter of January 28 regarding subject well, it is now our intention to delay finishing the plugging as we may wish to attempt to recover some of the pipe in the event casing becomes hard to get.

As stated in our letter of January 4, 1957 all formations have been plugged off according to regulations.

Yours very truly,

Ben L. Kelley
Production Supt.
