Plugging Application

Gentlemen:

We enclose herewith our well plugging application form covering the Hofmeister # 4, of the above location.

As you may recall, we filed a plugging application in November, and later cancelled it, planing to recomplete it through the use of a Whipstock. After having studied the costs of this type of recompletion, our plans have again been changed to the drilling of a "twin" and plugging the old hole.

Our intent to drill form was filed yesterday with your office.

Very truly yours,

C. R. Sears
