Dear Mr. Morgan,

This letter is to confirm my recent phone conversation with your representative, Mr. B. S. Stricklett, at Lyons, Kansas, in which we requested that you cancel the pipe pulling and plugging of our Jung #1 well located in the SW-SW-NW, of Section 3-21-13W, Stafford County, Kansas, as other arrangements have been made for the use of this dry hole.

Our letter of August 24, 1954, first advised you of this job.

We trust that this will not inconvenience you in any way.

Yours truly,
