Dear Sirs:

Please be advised that the Jeter Well No. 1, located in center, E/2 SE/4 SE/4, Section 3-21-9W, Rice County, Kansas, was drilled into the Simpson Sand and salt water last November, and has been standing two-thirds full of water ever since. We have been waiting to see what luck a nearby well had in the Arbuckle. This well has just been completed and found the Arbuckle dry. Hence, we will now plug this Jeter well. Please issue permit to cover.

Copy of Well Log is enclosed.

Yours truly,

Donald T. Ingling, Trustee
