Re: Well No. 2
Lease - Kultgen
Description: NW;NW; SW;16,16,12W
Barton County,
File: 69-6

Gentlemen:

I have received several notices from you regarding
the above dry hole drilled some time ago.

I had, thru my wife's interest, a very small interest
in this well and while its true the well was carried
in my name I do not have the log of well nor can I
give you any information regarding same at this time.

If you will write to S. W. Polk, Worth Building in
Fort Worth, Texas I believe you may obtain the log
in question.

I am forwarding your letter, carrying notation as the
"third notice" to him and feel certain all will be
taken care of by this action.

Yours very truly

James Patton Taylor

Attention: Conservation Division

Gentlemen:

The enclosed Well Plugging Record has been inadvertently overlooked and I apologize for not having signed and returned it upon receipt.

Trust that you would still want it to complete the file on this particular lease or well.

My copy of the Well Log was destroyed by fire along with other old records in storage during the war so am unable to furnish same.

Thanking you, I am

Very truly yours,

Sam W. Polk.
