Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Heard A 2 well.

This extension will expire on October 13, 2017. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Re: Pit Application Extension - A Heard #2 Lease in Russell county - Section 30 – Township 14 – Range 12 W

Dear Ms. Haynes,

I am requesting an extension of our approved Pit Application for the A Heard #2 Lease in Russell county. This well is being worked on currently and has been for the last several months... we still need time to complete the work that is being done as there is a packer stuck in the hole.... Everything is taking longer than expected with this job. Nothing has changed from our original pit application.

Thank you for your consideration.

Sincerely
Debra Dolechek
