 Operator Name: Shermnan Oil Company      SEC 15 TWP 26 RGE 18 RGEDIR E  
 Address: RR2, Box 98      FSL: 1495

**Reason for Investigation:**

Mike Wimset, one of the partners in Shermnan Oil Company requested assistance in locating unplugged well on expired operator license #5484

**Problem:**

Unplugged well on expired operator license #5484 license expired June 30, 1994. Operator unable to locate well.

**Persons contacted:**

Mike Wimsett

**Findings:**

I met Mike Wimsett at the Amoco lease and we went to the specified location of the well number Inj 10 API#15-001-28447-00-00 listed as 1495 FSL 3235 FEL Lat. 37.780472 Long. -95.426338 in Section 15, Township 26 South, Range 18 East Allen County. We did not find any evidence above ground that would indicate the well was ever drilled. We found part of an old stake that may have been used to mark a well location but nothing else. I have determined that the well number Inj. 10 was never drilled. I found no evidence of a pit, injection lines or a well bore, I checked the area with a metal detector and found no metal of any kind.

**Actions / Recommendation**

**Follow-up Required** ☐

**Deadline Date:**

At this time I am requesting the status of well number Inj. 10 API#15-001-28447-00-00 be changed to "EX" for expired intent because I believe the well was never drilled.
