Dear Ms. Schulte:

This is in reply to your letter dated April 24, 1985, regarding the status of the subject well.

We plugged and abandoned the well on July 7, 1983. Since it was plugged by Allied Cementing, not by a regular plugging contractor, it appears that we have failed to provide you with a plugging report. Such a report and accompanying papers are attached, and I trust this will complete your records.

Yours very truly,

PICKRELL DRILLING COMPANY
