Re: Workover Pit Extension  
LaFon Trust B1  
Sec. 17-16S-24W  
Ness County, Kansas  
Permit No. 15-135-25949-00-00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pits associated with the LaFon Trust B 1 well.

This extension will expire on 04/19/2018. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

**No additional extensions will be granted.** In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form, **but not the time period for filing the waste transfer form (CDP-5).**

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Ryan A. Hoffman  
Director

Extension Request

Ms. Rains:

The closure of drilling pits on the above referenced well expired on January 21, 2018. The original spud date was 04/28/17. We are requesting an extension of time to allow the pits to completely dry prior to filling the pits.

Sincerely,

PICKRELL DRILLING COMPANY, INC.
