CORR

Sec. 31-30-33w
Merit Energy

Ms. Boyer,

Merit request that the name of this well be change from the Thompson B-6 (API# 15-081-21112-0001) back to Schnellbacher B-3.

Could you please check on the well type for this well also? We are paying on it as an oil well, the completion paperwork classified it as an oil well, but the website has it classified as a gas well witch is incorrect according to the completion report approved on 6/12/2012.

Please let me know if you have any question or concerns.

Thanks in advance for your help!

Kathy
